

The Pastor's Corner

Greetings in the name of the coming King!

As the pastor of the Susquehanna Valley Baptist Church, I invite you to travel with us on a journey through the Word of God into the world to come.

The Bible and experience reveal that all true seekers receive insight and blessings by *connecting* in true worship and fellowship. God's plan for each of us embraces the destiny of what he calls His body, the Church. The mystery of communion with Him promises each of us the safety and rich fulfillment that come only as we *collectively* function for His glory.

Our goal is to proclaim to our age, without apology, the sufficiency of Christ in all areas of life. He will give us grace in trials, cast down our idols, reorder our relationships, overwhelm us with joy, and cause us to bear abundant fruit in unexpected areas. We will have peace in this life and the promised eternal reward in the next.

As we gather in His name anticipating His presence, the world watches us skeptically. Can we prove His presence by our brother-love? Will lives (ours and others) be changed...ignited with new hope and purpose when exposed to the Risen Jesus? We believe so!! What do you believe?

If you desire to know more of Christ and His direction for your life and family, come meet with us and expect His intervention on your behalf.

Serving Christ,

Pastor Bruce
